ORAL ORDER
(Passed on 10th August, 2006)

The order of the Regional Transport Authority, Raipur, the first respondent herein, dated 07.04.2006 granting regular permit to the second respondent on the route Durg to Raipur has been assailed in this writ petition. The grievance of the petitioner is that on 21.10.2005 he also made an application to the first respondent for grant of regular permit on the same route and, therefore, the first respondent ought to have clubbed his application with that of the second respondent and passed appropriate order after considering relative merits of the petitioner and the second respondent. It is disclosed in the writ petition that the second respondent made an application on 05.09.2005, that is to say, well before the petitioner made application on 21.12.2005. Moreover, in the writ petition, nowhere it is stated that the petitioner also sought grant of regular permit on the route Durg to Raipur with the same timings as assigned to the second respondent. In that view of the

matter, it cannot be said that the petitioner is an aggrieved person. Writ petition is, therefore, dismissed. No costs.
